

Note from Nate

With over 163 million orphans in the world, it's time for drastic measures. The numbers seem overwhelming and success unattainable, but God has already given us the solution. His Church. If every church obeyed her mandate as given in James 1:27 there would be no orphan crisis!

Our job at Child Help International is simple—help the church obey that mandate. We have set the goal of helping at least 27 churches in 27 countries to successfully obey James 1:27 by empowering and equipping them to start a small family home for the neediest orphans in their area. In order for us to accomplish this initiative we need people to catch that vision and get involved! We need you to choose what you can do. Give? Go? Get involved? Do one or all! Financial support, new missionaries and interns, or volunteering Stateside are the needs we are asking you to fulfill. No matter which you choose, you will be an integral part in giving the neediest children in the neediest nations new hope and a home.

For the sake of the children,

Nate
